3. Administration

25X1A9a Mr. [REDACTED] attended the 10th Institute on Industrial Traffic Management at American University.

25X1A9a Messrs [REDACTED] completed the ORR Statistics Course,

25X1A9a Mr. [REDACTED] completed the Basic Management Course.

4. Problems and Recommendations

Institution by FDD of a contract system for exploitation of foreign language publications in transportation has created a virtual cessation of all coverage of transportation in some of the European Satellites. ~~It~~ is recommended that if future contract exploitation is effected, that FDD not cease its coverage until the contractors have begun to feed back their translations.

This problem has been brought to the attention of ST/I and FDD.
